

ALL Points Bulletin

March 2021

NOTE FROM THE ALL OFFICE:

You might have noticed the flyers have a little bit of a new format. You will notice there is no longer a sign up form at the bottom. Our UWP Marketing department decided on this change and we have to follow their direction. Now that we are using the online system there is less need for the form on the bottom. There will still be a place on each event to click and view the flyer for that event. If you choose to mail in your forms that is still fine, however, you will have to use the blank form on our website to fill out and print or you can send a note with what class it is for with the information asked on the form.

Click here to access the form:

Please contact the office at 262-595-2793 or by email at LifelongLearning@uwp.edu with any questions.

Please note you can access the events that are online by telephone as well. Call the office for more information.
