

THE COLLEGE OF NATURAL AND HEALTH SCIENCES SEMINAR SERIES PRESENTS

SCIENCE NIGHT

WEDNESDAY, FEBRUARY 14, 2017 | 7-8 PM | STUDENT CENTER CINEMA

FLU FRENZY:

OUTBREAKS, HYPE, AND HOW TO PREVENT BOTH

In this contagiously thrilling Science Night inspired by Station Eleven, we will explore flu outbreaks throughout history, how the virus spreads, how vaccines and other strategies help our species survive the flu, and how the media can sometimes overhype outbreaks and whip the public into a frenzy.

Part of the NEA Big Read program.

DR. GREG RICHARDS
Greg Richards is an Assistant Professor of Biological Sciences at UW-Parkside. His enthusiasm for the study of microbes is rather...infectious.

Free parking after 6:30 pm - Everyone is invited - Refreshments provided

Be. Real. Amazing.

UNIVERSITY OF WISCONSIN **PARKSIDE**
