## **President's CORNER**

**Dan Neururer** 

Best Wishes to everyone on the start of a new decade. ALL UW-Parkside is off and running into the new decade as well. We have some interesting lectures, classes and trips coming up. My hope is that each member can attend as many as they want. We don't want to shut anyone out if possible. If you have an idea for a lecture, class or trip, please let us know.

We have picked out a topic for the week of learning and have started some preliminary work on it, so that looks to be on track. Looking out to the Spring and early Summer, we have a need to replace some of the current members of the board as their time to serve ends. If you are approached to be on the board, please consider a yes.

Our group is only as strong as its membership.

## **COMMITTEE REPORTS**

# PUBLICITY COMMITTEE

ALL's media coverage continues to expand. Our new brochures and business cards are now available and have been distributed to many new locations in Kenosha and Racine locations. we also cover Newspaper, Radio Stations, and many additional Kenosha and Racine distribution sources. Currently, both counties are covered with ongoing notifications.

And as always, word of mouth is still the most effective method, and "That's up to Each of You". We welcome your thoughts and ideas, and want to be the best organization possible. A great personal effort can be made from obtaining a few of the new cards/brochures from the ALL office and giving to a friend,

Brochures cover multiple opportunities such as various types of Focus Groups provided and the availability of Lectures, Classes, and Day Trips. Wonderful information for prospective members.

While Publicity by definition focuses on "getting the word out" to new prospective members, it would be remiss not to mention to CURRENT members the wide rage of opportunities with-in ALL. That includes YOU. No limitation to your participation and contributions.

The Holiday Gala was held on Monday, Dec. 2, 2019 at The Covenant at Murray Mansion in Racine, WI. Approximately 150 members and guests enjoyed the beautifully decorated hall and everyone was pleased with the delicious menu.

We were delightfully entertained by Bradgas, a UWP Alumni Quartet. Everyone applauded the classical and holiday music selections that put them in the holiday spirit. It was such a wonderful event you won't want to miss it in 2020.

I want to express my gratitude to all those who helped organize this wonderful event!

#### What you should know for Day Trips:

It is important to GET YOUR REGISTRATION IN RIGHT AWAY—online if possible. If you have registered and are unable to attend an event, call Vanessa at the ALL office at 595-2793 (greco@uwp.edu). If we know about it before the deadline, we will refund your money (\$5 fee for any registration changes). If you are unable to attend after the deadline and we have a waitlist, we will try to sell your spot to the next person on the waitlist. Call the trip leader listed on the flyer for trip info. Call Vanessa about the waitlist. Remember: Gratuity is built into meal costs, but the bus driver tip is separate. At least \$2 is customary, more if you feel the driver deserves it. Distance and traffic conditions are big factors in keeping Day Trips on schedule. PLEASE BE PROMPT, the arrival time for Tallent Hall is always listed in your reminder email!

### Trips We've Enjoyed:

November 20, 2019
A Day at the MKE Public Museum.
Our docent-led tour of 'Deck the Streets' set in European holiday traditions was delightful. The butterfly room was a huge hit, and we had plenty of time to explore the museum. We gazed at the Wisconsin

night sky in the planetarium with a guide. Forty-three people attended and Peggy Walker led this educational trip.

December 5, 2019 – A Milwaukee Deutsche Christmas.

Debbie Wiersum led this very popular trip with 81 members attending.

A self-guided tour of the decorated Historic Pabst Mansion was fun. Lunch at Maders was delicious and the apple strudel, sweet! We walked next door to the Christkindl (Fiserv Plaza), a typical European Christmas market to shop and browse. The weather was great! See ALL's flicker page for pictures.

January 13 – Asiana Racine Korean Lunch. Fifty members drove to Racine for an ethnic lunch experience, led by Tui Wylie. We delighted in the Miso soup, three appetizers and four main dishes, served family style, ending with a cookie dessert called Yakgwa! Owner Kim talked about the food, her business and what's in store for their future.

January 24 – MSO: Third Prelude Concert. We had an enjoyable Friday morning with the sounds of the Russia Festival: Joyce Yang Returns. Stefan Asbury Conductor, Joyce Yang, piano.

#### VOLUNTEER COMMITTEE

We Pour Volunteers

Kathy Geniesse: 262.654.5625

mothahumpy@aol.com

I am continually grateful to those who so consistently and willingly give of their time. Our volunteers are involved with assembling the monthly informational packets, they participate as greeters for the bimonthly lectures offered at the Student Center and serve as ushers during the Spring and Winter Commencement Ceremonies which brings me to the following:

# **SAVE THE DATE** Saturday, May 16, 2020 UW-Parkside Spring Commencement ceremonies

There will be two sessions (9 am and 2 pm). **Eight to ten volunteers are needed for each session.** The recent Winter Commencement was a memorable experience. The joy and enthusiasm is contagious.

# Please consider setting aside some time to participate in this event later this Spring.

Our host, UW-Parkside, relies heavily on our assistance and are most appreciative of the ALL volunteers who give of their time to make the commencement ceremonies a success for the graduates and their families.

As I have mentioned in the past, participation is on a casual basis and definitely dependent on your personal schedule - but please note that volunteerism is crucial to the operation and smooth running of the ALL organization. Please contact me at the above listed email or phone if you are interested in becoming involved with any of the above listed activities.

#### HISTORY COMMITTEE

Successful organizations maintain an active and available History File. ALL's archives attempts to do this and includes several years, many events, and a wide range of information available for review. New information is added as it becomes available. And as always, we welcome membership contributions. Pictures, stories, and whatever.

If you missed a lecture or want to see one again, CD's are always available to check out at the lecture sign-in table.

Fran Brinkman: 929-629-1961 franbrinkman@aol.com RuthFrear: rfrear@att.net

Current Affairs continues to be a focal point for discussion of local, national, and international events of the day. We meet on the third Monday of each month at noon in the Orchard Room in Tallent Hall. At these sessions we try to solve the problems of the day. We search for solutions that seem to elude leading politicians, economists, and leaders in business, labor and education. We attack local, state, national and international issues, all with equal gusto. And we generate a better understanding of the issues due to the diversity of our participants. Simply put: we learn from each other. Join our spirited discussions.

Issues discussed recently included Hong Kong, the Energy Innovation and Carbon Dividend Act, Boris Johnson/Brexit, nuclear energy, the Democratic presidential candidates, and Foxconn.

We are a diverse group, with varying backgrounds and views; what brings us together is a keen interest in what is going on in the world. The coming months will provide plenty of issues to keep the conversations going.

Everyone is welcome to join us!

#### A Great Tribute to a Great ALL Member

# Joyce Gyurina Fondly Recalls the Challenges of Being an Adult Learner adapted from an article published in Parkside Profiles

The complexities of life can make the notion of pursuing higher education much more difficult than what one would expect. To say Joyce Gyurina's academic journey to earn degrees in English, geography, and secondary education at the University of Wisconsin-Parkside was anything but a challenge would be an understatement.

As a wife and mother, Joyce took a leap of faith and enrolled at UW-Parkside in January of 1968. Though she had graduated high school many years before, Joyce always had a lifelong love of learning. As a result, she became an adult student while juggling the responsibilities of a family. Joyce reflects on her time at UW-Parkside and the influence it has had on her.

When I took that leap of faith by enrolling at Parkside in 1968, I found myself surrounded by hundreds of 18- and 19-year old students! Not that I was uncomfortable or intimidated by teenagers – really, for I had a few of those at home to deal with. My love of learning surpassed the many challenges that I encountered along the way to my coveted degree.

It was quite a challenge for me at that time with all my family responsibilities, especially with six active children. Every morning I would drop off my 4-year old, Joey, to kindergarten at Grant School, Jay at Washington Junior High School, Jeff at Bradford High School, Judy at St. Joseph's High School, and Jill at St. Anthony's Grade School. That's right, I drove five children to five different schools before arriving to my final destination — at UW-Parkside for my first class of the day at 9:00 a.m.

Many kodak moments of fun, joy and also stress can be recalled by every student. While my family duties were always a priority, many term papers, final exams and projects kept me up till the early morning sunrise. I'll never forget the night I was locked in the library, which, at that time, was located in

Tallent Hall. I was researching a Shakespeare play and was so immersed in the Middle English language that I completely lost all sense of time. The janitor found me in a cubicle and was quite upset that it was past closing time. A similar incident occurred at Carthage College Library as well. I was locked in and a janitor was checking on the Christmas Tree. He finally saw me pounding on the window. He was very upset, however; not as upset as I was!

At UW-Parkside, I loved learning and loved all of my classes. Although I usually was the only adult learner in class, I was treated with kindness and respect by the professors, students and staff. Stella Gray was my advisor and my hero. While I was in the hospital with a new addition to my family, number six, Jana, Stella insisted I finish my degree and even signed me up for that semester. That's how dedicated and devoted the Parkside professors and instructors were. When I was told to declare a major, I had a difficult decision. I loved English, Science, Anthropology, Geography, Art and History. Eventually, I received degrees in English, Geography, and Secondary Education. In May, 1973, I graduated with highest honors and was awarded the 'Outstanding Student in the Social Studies Division' award for 1972-73. Our graduation class was the first to have the commencement ceremony in the newly- built gymnasium. What a monumental honor for everyone to applaud!

It's been Fifty years since I started classes at U.W. Parkside and I still cherish my love of lifelong learning. Nevertheless, Parkside was an exciting and adventurous experience that I will always keep close to my heart. Thank you, U.W. Parkside, for continuing to inspire those who desire the highest quality education and a bright and rewarding future.
