Chancellor Ford Honored as Leader of Change

Dr. Deborah Ford, Parkside's Chancellor, was recently recognized as one of three recipients of the inaugural Leaders of Change Recognition Program award, presented at the Network for Change and Continuous Innovation (NCCI) in Seattle this past July.

This award identifies leaders of change throughout higher education, recognizes their accomplishments, and helps link them with peers to leverage the impact of their work.

Upon receiving the award, Ford noted that it recognizes the positive direction of the University of Wisconsin-Parkside.

"One person cannot effect real and sustainable change. This recognition reflects the cohesive and collaborative efforts throughout our campus. On behalf of faculty, staff, students, alumni, and members of our community, I am proud to accept this honor."

What the Prez Sez:

A message from ALL President, Ted Anderson

ALL is a self-directed organization of 525 members. We, ourselves, decide the direction ALL will take. We choose the trips we will offer and take. We choose our classes, the topics of our lectures, and the kinds of focus groups that we form.

We now have eleven committees and ten focus groups in which you could participate. The committees are: Week of Learning, Audio-Visual, Classes, Day Trips, Finance, Lectures, Membership Services, Publicity, Social, Strategic Planning, and the Volunteer Committee. The Focus Groups are: ALL-A-Bloom, Current Affairs, Duplicate Bridge, Great Books, Great Decisions, International Student Friendship, Over-the-Hill Hikers, Poetry, Social Bridge and Technology.

Except for our part-time office support person, Vanessa, we are totally dependent on volunteers. Nothing moves without a volunteer. Without volunteers we would not have trips, classes, lectures, or focus groups. We are truly unique in being a self-directed volunteer organization, and we are a vital group, as

evidenced by the participation of our membership.

Thanks, to you who do volunteer, for making our sustainable growth happen. And to those who have not yet volunteered in some manner, I would like to say, "Come on in, the water is fine, and I know you will enjoy it."

ALL'S WEEK OF LEARNING

Charlotte Short: 764.3066
charshort1@hotmail.com

Special thanks to Marion Sperer and Judy Reynolds for chairing the Week of Learning the past two years. Charlotte Short will chair this group next year, planning to begin in the fall.

AUDIO-VISUAL COMMITTEE

Larry Gregg: lgregg@wi.rr.com
Jarlene Kriehn: jkriehn2007@att.net

Larry videotapes the ALL lectures, so if you missed one or have a favorite you'd like to see again, you can check out a CD disk at the Monday lectures to watch at home.

Our committee is responsible for helping with equipment setups for classes, and many of the classes are using our ALL equipment. This means we could use a couple more people who would be willing to learn the system setup to help the Class Committee members and the instructors with equipment needs. Contact Jarlene if you would like more information or to volunteer.

DAY TRIP COMMITTEE

Julie Rae Friedman: 942.7113, jrf@wi.rr.com

Martha Krimmer: 554.8122, mkrimmer2@wi.rr.com

July 8 and July 27 we traveled to Ravinia for dinner under the tent and a concert by the Chicago Symphony Orchestra in the Pavilion. Beautiful place, beautiful music!

Our **August 12-14 Down the Mississippi** trip was a great success. We enjoyed a brief stop in

Galena, Illinois, and then traveled on to Dubuque, Iowa where we stayed at the historic Hotel Julien, with dinner at

the Diamond Jo Casino. The next morning we boarded our paddleboat for a full day on the Mississippi down to Moline, enjoying great views of the river, musical entertainment and food, food, food. On the third day we headed for home, stopping in Monroe, Wisconsin for an interesting visit to the National Historic Cheesemaking Center, followed by lunch and entertainment at Turner Hall, and then a visit to the Alp and Dell Cheese store and factory. We had 54 people (some of whom have probably now taken up yodeling as a hobby, inspired by some of our yodeling hosts).

September 4. Art and Food Trip. A visit to the Grohmann Museum at the MSOE with its wonderful roof top sculptures, and then a Progressive Lunch with Milwaukee Food Tours.

September 29, October 13 (on campus) and October 22 (Milwaukee) Exploring "The Color Purple." We will have one class on the book, one on the film, and on the 22nd we go to the

Milwaukee Rep to see "*The Color Purple* – the Musical." We will have a buffet lunch and a Rep speaker at the Intercontinental Hotel, and will attend a pre-performance lecture. If you have ever wanted to study a book and then the movie or play based on the book, this is your chance.

September 30 is the **Milwaukee Zoo**, going "back stage" to see how they feed and care for the animals or take a walk on the wild side tour to visit the central part of the zoo seeing big cats, elephants, rhinos, giraffes, camels, bongos, warthogs, red pandas and zebras. A ride on the Zoo Mobile, a history talk, and an ALL American picnic lunch will complete the day.

December 3, our Holiday Trip is to Milwaukee for the **Cirque Musica** at the Performing Arts Center conducted by Francesco Lecce-Chong. "Hear holiday favorites by the majestic Cirque Musica. Stunning aerial feats, strongmen and mind boggling contortionists will take your breath away in this ultimate holiday extravaganza." Dinner will be in the Green Room at the PAC.

Symphony: Don't forget the 6 Concert Prelude series at the Milwaukee Symphony on the following Fridays: September 19, October 17 and November 21, 2014 and February 27, April 10 and May 1, 2015. For information on a subscription (or single tickets if there is a cancellation) contact Bev Friedrich at bevfried@aol.com or 633.2304 or phone Darleen Chiappetta, 654.0177.

As always, events are subject to change. See event flyers for details.

Lectures at 2 PM in the Parkside Student Cinema

September 15: “Current Illegal Drug Trends” with Michael Prochniak, agent with the Racine County Sheriff’s Office since 1990, promoted to Criminal Investigations in 1996, and assigned to Narcotics Investigations since 2001.

Agent Prochniak will discuss illegal drug usage trends seen in Racine County and the rest of Southeastern Wisconsin. He will detail how they are being transported into the US, and will explain the practice of genetically manufacturing drugs in places like South America. We will hear how these drugs are also being developed – much the same as corn or tomatoes – for farm production in California.

September 22: “Stories of Plant Fungi and Fungicide Discovery” by Nicole Higgs of Valent Biosciences. Ms. Higgs will discuss some famous plant pathogens, such as the fungi that caused the Irish Potato Famine, and how scientists attempt to find fungicides, both biological and chemical, to combat them.

October 6: “Mid-term Elections 2014: Will there be changes in the State and National Political Landscape?” with Dr. Anne Gurnack, Professor Emerita of Political Science at UW-Parkside. As the midterm elections approach, there are many critical questions on everyone’s mind. Join us to investigate these critical issues.

October 20: “Fahrenheit 451.” Details later...

November 3: “Pilgrimage to Tibet and Nepal” by Nick Cibrario. Mr. Cibrario received a BA from UW-LaCrosse and a Master of Science from the College of Racine. Frequent travels to these fascinating countries provided Cibrario with material for several books he’s written since retiring as an English and Latin teacher in Racine. He’ll share his Asian travel experiences and photos with us.

VOLUNTEER COMMITTEE

Kathy Hoffmann: 847.746.3416
kathyhoffmann@mac.com

The Volunteer Committee continues to usher at Parkside’s Fine Arts Department events, and they are so grateful for our help. Plus it’s a great way to spread the news about what “The Rita” has to offer! Some volunteer ushers actually have season tickets to the performances, so they’re able to give their ticket to a friend when they volunteer, making it a doubly great deal with both friends then enjoying a performance. In time, we hope to expand the ways we help out at the university, so if you’re interesting in getting in on the action, contact Kathy.

Dawn Feldman-Brown: 694.1748  
pdfbrown@yahoo.com, Judy Knutson:  
657.5658, jknutson6906@sbcglobal.net

On August 27, we visited the Kenosha Potato Project in Somers. On September 24, Tim Fulton will talk to us about bees. On October 29, Dick Lesko from Suburban Garden Center will talk to the group. Stay tuned for his topic. We wrap up 2014 with our last regular meeting on Nov 19. Read more about our group in the HIGHLIGHTS section, page 8.

**ALL FOR FUN SINGERS -  
New Group/Location**

When Marialyce Kornkven and Marge Miller announced last May that the St. Catherine Commons' ALL-for-Fun Singers would not be continuing, they received an enthusiastic offer from Terry Hardman to keep the singers together at another location in Kenosha. She

recruited a young piano player, Alex, a Parkside student who plays professionally in the area, and arranged for a new beginning at Wesley United Methodist Church, 4600 60th Street in Kenosha. The SING FOR FUN singers have been meeting on alternating Thursdays from 1-2 PM. Ample parking is off 47th Avenue, and you can walk right in the building with no buzzer, no waiting.

With the sheet music Marialyce is bequeathing to Alex and our old songbooks of "102 ALL-FOR-FUN SONGS", we're sure it will be a smooth transition. Contact Terry Hardman if you would like to receive emails regarding the SING FOR FUN group: thardman1@wirr.com. Or for current sing along dates and details, just Google: "Where2b Kenosha" (lists many events in the local area, a great resource!). We are grateful to St. Catherine Commons for generously allowing us to meet each month in their lovely dining room since February of 2009.

**CURRENT AFFAIRS DISCUSSIONS**

Sy J. Adler: 877.3628, Cell: 708.785.4067  
seymourjadler@gmail.com

Ted Anderson: 639.7863 trawisc@gmail.com

Current Affairs meets every 3rd Monday, at 12 PM in Tallent Hall. Every meeting is different, as the world in which we live is in constant flux. There is no shortage of topics to discuss, ranging from the economy – local, state, and national, to other regions/countries of the world. We discuss leaders ranging from local mayors, governors, and presidents, to dictators and would-be leaders of Hamas and militant Islamists. Sometimes we shed light on a topic; other times we tend to further confuse ourselves and other participants. 😊 Join us to discuss the multitude of issues of today.

**DUPLICATE BRIDGE**

Patti Gross: 658.8849  
patriciagross368@yahoo.com

Our intent for the ALL Duplicate Bridge focus group is not to achieve master points, but rather to have fun learning the operations of duplicate bridge. Our current challenge is learning how to score a round for 2, 3 and 4 tables. You do not need a bridge partner to join the group, and snowbirds are welcome when in town. Join us! Contact Patti for our schedule.

### GREAT BOOKS

Pat Kummings:  
plkummings516@sbcglobal.net  
553.9944

Great Books recently began its 5<sup>th</sup> book in the Great Conversations Series. We are discussing *Swann's Way* by Marcel Proust and meet the 4th Monday each month, Tallent Hall, 9 AM.

### GREAT DECISIONS

Terrence & Therese Constant:  
T2constant@aol.com, 657-0877

On July 30<sup>th</sup>, we held a special summer-time great decisions discussion, after viewing an interesting documentary titled "Unlikely Heroes of The Arab Spring."

In October 2014, we will be organizing for the 2015 season of Great Decisions where participants discuss eight timely U.S. foreign policy topics using readings, worksheets, and a DVD with expert interviews as background material. The list of 2015 topics will be available in October and noted in the November APB.

To participate in our group and order a Great Decisions topic book, please send a check for \$22 made out to Therese Constant and mail it to 5126 22nd Street, Kenosha WI, 53144. Orders will be placed on October 24. Also provide your name, e-mail address and telephone number. Contact Terrence or Therese for questions.

### INTERNATIONAL STUDENT FRIENDSHIP

Linda Burch: lindaburch11@gmail.com  
Jim Burch: 948.9249

If you want to the make the world a better place and meet interesting, bright, young people from other countries, this is the group for you. There are many students, and we can always use more people, so contact us if you are interested in joining the group.

Members are involved only as much as they want to be — there are no set duties or time requirements. A friendly, open spirit and the desire to promote international goodwill are the only requirements. Members sometimes offer transportation, home-cooked meals, shopping, or cultural adventures, etc. If you are planning to drive students anywhere, Consuelo needs a copy of your driver's license and proof of insurance.

New students arrived at the end of August and we participated in new student orientation on August 28<sup>th</sup>. The International Friendship Picnic, generously sponsored by ALL, will be held on Saturday, September 20, at Petrifying Springs Park, Shelter #3. The picnic is from 1-4, with committee set up at 12 noon. We will bring fruit salads or desserts to supplement the menu.

The International Friendship Committee meetings for first semester are on Wednesdays at 10:30 AM in Greenquist 210. These are followed by Friendship Hours with students from Parkside International Club, at 12 noon in Molinaro D127. Meeting dates are subject to change based on various student activities, so be sure to email Linda or phone Jim for more details, and to get on our list of instructions and reminders.

**OVER THE HILL HIKERS**

Wren Ide: ALL-Hiking@wi.rr.com, 694.1046

The Over-The-Hill Hikers hike weekly April through October, primarily throughout Racine and Kenosha counties, as well as Lake County, Illinois. So far this year we have had several hikes including at Lake Geneva and along the Kenosha lakefront to see the sculptures. Other recent hikes: along the lakefront to Carthage College, to Kemper Center in Kenosha, and at Cliffside Park in Racine, plus a special hike in historic Greendale including a guided tour of the area. Only two months remain for this hiking season. Most hikes average about 2 miles, although occasionally they are a little longer. We hike the lakefronts, woods, parks, and anyplace that sounds fun. Join us. Email me to get on the hiking info list.

**POETRY**

Ron Story: ron.story@att.net, 577.5864

The poetry focus group meets the second Monday of each month to discuss a number of poems. No one in the group is an expert, but everyone enjoys a spirited discussion. New members are very welcome.

**SOCIAL BRIDGE**

Patti Gross: 658.8849:  
patriciagross368@yahoo.com

The ALL Social Bridge focus group is an enthusiastic group of bridge players who meet weekly, striving to improve bridge skills while practicing strategies in a friendly atmosphere in the Tallent Hall break room from 1:30-3:30 PM on Thursdays.

**TECHNOLOGY**

Jarlene Kriehn: kriehn2007@att.net, 948-0836

“I’m not a Techie. Can I still go to a technology focus group meeting?” We hear this quite often. We started as a 3-session computer class and decided to meet monthly (except holidays and lecture days) to share information and search out information on all things technology. And so, here we are. ALL members with any degree of technical ability are welcome. Why? Because members usually know more about a subject than they think. We share what we know, ask questions, schedule speakers on specific topics, and call on members to present information about their interests. Attend as many meetings as you want. Go to all the meetings and bring home something each time, or just attend an occasional meeting when the topic piques your interest. No cost. No reservations needed. Contact Jarlene to join the email group list to receive meeting reminders and topics.

No tech meeting in September (lecture day). We are scheduled for October 27, and November 24. No meeting in December.

Tip of the Day: Here are two websites to look at. Look them over, but caution: sign up for emails sparingly at first. There must be an army of techies backing these celebrity tipsters covering websites, computers, phones and more. Kim Komando (komando.com) has Kim’s Android Newsletter, Everything Apple from Kim Komando, Kim Komando’s Weekend Digital Digest and the list goes on. See what we mean? The other member recommendation is Ask Leo (askleo.com) by Leo Notenboom. He (and staff, I’m sure) create the Ask Leo! Newsletter, are on Facebook and have a homepage with a list of topics to get started. Happy surfing!

**HIGHLIGHT ON. . .  
ALL-A-BLOOM FOCUS GROUP**

*From time to time, we're going to take a bit more in-depth look at the inner workings of a committee, focus group, and/or other ALL activities and functions. And since flowers are still all-a-bloomin'...*

Nancy Elsmo started ALL-A-Bloom nearly a decade ago, but after she moved from the area, two avid gardeners, Judy Knutson and Dawn Feldman-Brown, took over leadership of the group about three years ago. Usually you can find at least 15-20 of their 60 members at the meetings that start in March and run through November. Meetings start at Parkside, typically with a presentation from local experts such as Barb Larsen of UW Extension; Kate Jerome, garden expert from the *Kenosha* News and director of the Kenosha Gateway urban farm; Tori Graham from Chiwaukee Prairie talking about butterfly gardens; Carol Saleski from Down to Earth – the Kenosha community gardens on 30<sup>th</sup> Avenue; and Dick Lesko from the Suburban Garden Center talking about the inevitable subject of bugs and pests.

Dawn notes that there is a lot of group participation at meetings as members ask each other for suggestions to garden problems (of which there is, obviously, no end), sometimes visiting each other's gardens, and occasionally sharing their surplus plants and seeds. Dawn often shares her exploits in trying (sometimes even successfully) to keep the various wild critters out of her lakeside yard.

Following in-house meetings, the group goes on field trips each month. Recent favorites have been to the Northwind Perennial Farm in Burlington, the Heritage Flower Farm in Mukwanago, and more locally to Anton's Greenhouses for potting demonstrations and shopping as shown in the following picture:

**In Memoriam**

We regret to announce that **Mary Finley**, one of our newest ALL members, passed away in June. Mary was the Community Outreach Coordinator for Racine and Kenosha counties for the Alzheimer's Association of Southeastern Wisconsin and had an office here at Parkside's Center for Community Partnerships.

We are also very sorry to note that member **Marilyn Steinbach** passed away at the end of July. She was known to have really enjoyed ALL's many programs, and especially the classes and day trips. Marilyn was active at the Kenosha Bible Church as well as an enthusiastic volunteer at some of the local hospitals and museums. Dawn Feldman-Brown noted that Marilyn was a very active senior and a great friend, noting that every day for Marilyn was one that involved "giving back."

**Condolences**

We'd like to extend our heartfelt condolences to ALL member Joyce Gyurina. Joyce lost her brother, Norm Miller in May, and her sister, Dolores Burke in July. So sad...

**ODDS AND ENDS**

When sending in registrations, be sure to mark "**ALL**" on the envelopes. If this is not done, the Mailroom has no idea where to send it.
