

Requirement Year Change Undergraduate Programs

Students are subject to all *University Requirements*, including General Education Requirements, in effect at the time they are *admitted as a degree-seeking student*.

Students are subject to all *Program Requirements* of a major (including concentrations), minor and/or certificate in effect *when they declare such program*.

You may request to change the requirement year for University Requirements and/or Program Requirements. **You may request to move the academic catalog requirement year forward, to follow later requirements. You may not go back to older requirements.**
