

College of Natural and Health Sciences

assistSTEM

Mentors. For Students. By Students.

Wondering what a course will be like before you enroll?

Want to improve your study/organizational habits?

Curious about doing research and where to start?

Find yourself stuck when planning your path through Parkside?

Need help navigating work/life balance?

AssistSTEM mentors have years of experience with classes across CNHS. Our Mission is to make your UW-Parkside experience as beneficial as possible.

Stop by for advice and insight from those who have once been where you are.

GRNQ L220 – No appointment needed.
