AWARD WINNERS

The UW-Parkside College of Arts and Humanities invited K-12 students in our region to create original artwork inspired by the way that being creative and making art brings them joy, comfort, peace, and happiness. Award winners were selected by UW-Parkside faculty and staff from the exhibition's thirty-nine artworks—including drawings, paintings, photographs, and digital images—by students ranging from first graders to high school seniors.

BEST IN SHOW

KIMBERLY LAGUNAS, a senior at Waukegan High School, won Best in Show for her dreamlike digital painting. Her brilliant use of reflection impressed jurors.

MOST INVENTIVE

LODER CHAPMAN, a senior at Catholic Central High School, took home the Most Inventive award for his digital drawing titled Fractured Brain. He was also the artist who submitted the most art, five works in total.

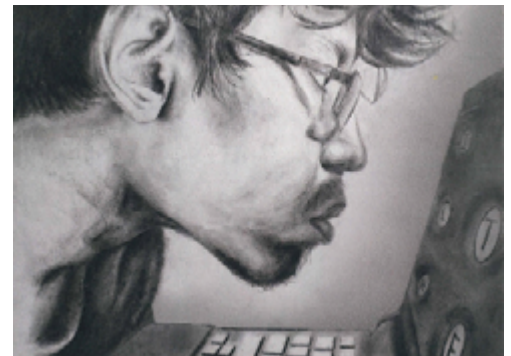

CAMPUS CHOICE

HELENE HOLLAND received Campus Choice award. Her well executed and relatable drawing of a bedroom demonstrated a keen understanding of two-point perspective. Holland is in 12th grade at The Prairie School.

MOST HEART

ESME REILLY, a seven-year-old artist, charmed the judges. She won the Most Heart award for her drawing of two dogs sharing a loving moment at the top of a hill.

DEAN'S FAVORITE

ROGER MARTINEZ, an 11th grade student at Waukegan High School, won the Dean's Favorite award for his realistic drawing of man and screen.
